

FAASteam CFI Workshop Module #8

This is CFI Workshop module #8 in the series of eight modules. Pilot Deviations including Runway Incursions will be discussed. This is the last in the series of CFI workshops. A special presentation on Youth Aviation Education will be presented in the Milton High School Aviation Lab. The latest in the schools flight simulators will be on display.

Directions: Please park in the school's South parking lot. Entrance to the lot is on Park Ave. The classroom is in building to the north of the lot and adjacent on the east side of the north/south driveway.

****Also see map in PDF at the bottom of this announcement.****

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants.
